National Coalition for Pacific Community Development (National CAPACD) is the first and only national advocacy organization dedicated to addressing the housing, community and economic development needs of diverse and rapidly growing Asian American and Pacific Islander (AAPI) communities. Since 1999, National CAPACD's membership-based network of 100 organizations and individuals in 17 states has developed innovative affordable housing, community development, organizing and planning strategies to improve the well-being of low-income AAPI communities.
